"ACHIEVING SPEECH, LANGUAGE AND ACADEMIC SUCCESS"

Summer Program Schedule

Our specialized team of professionals is committed to provide a program that empowers children & families with speech, language and academic needs. Our methodology combines academic success with personal attention and provides measurable results for our students.

To best service our clients during these summer group sessions the classes will be limited to a maximum of 8 students. Additionally, a session must have at least 3 students registered to be held. The Child Application and payment are due prior to the first day of the session. In light of the short duration of each session as well as planning for professional staff, a nonrefundable deposit is required that will be applied to the balance of the session.

Please call (281.957.9070) or email (lil@leapsinlanguage.com) for detailed information regarding specific sessions and costs.
